**Employment Tribunal Menu**

Trowers & Hamlin LLP offers the following "menu" of options and prices for our work on Employment Tribunal claims.

The fees quoted are for discrete pieces of work and assume that we have not had any earlier involvement.

Further deductions on these fees may be available if we are instructed on more than one piece of work (per claim) or in return for a guaranteed period of exclusivity on for an employer's employment law advice (including tribunals).

Quotes for a bespoke service or for pieces of work not listed below are also available on request so please do not hesitate to contact us.

We generally find that if you believe you will require support with three or more "steps" that it is more cost effective to instruct us to run the claim in its entirety but we pride ourselves on providing flexible service and aim always to work in partnership with our clients. Please do not hesitate to contact us to discuss the support you require. Please refer to the table at the end for an explanation of our Red, Amber and Green categories.
